

Portable Generators HW7000EH

POWERED by **HONDA**™

Keep the lights on, the water hot, the fridge cold and the TV tuned in. In a power outage, we make it easy to reap the many practical benefits of your HW7000EH Honeywell Portable Home Generator.

The HW7000EH come with everything you need to get started—never-flat wheels and a high-leverage handle for easy mobility; electric start (battery included) the first liter of oil with a funnel to pour it; plus much more.

POWERED by **HONDA**™

Comfort and Convenience

- Easy to Operate - Features a simplified power control center and electric start (battery included).
- Smart Start™ - Comes with color-coded starting instructions and 24-hour assistance at 1-888-RECOIL-8.
- Sound Filtered - The oversized muffler is engineered for quiet operation.

Power and Security

- Powered by Honda - GX390 Series, 389 cc, OHV, 4 cycle engine is designed for more power and durability.
- Electronics Friendly - SurePower™ Alternator provides voltage-regulated power.
- Durable - Backed by a 3-year limited warranty.

¹ To power a combination of these, refer to the wattage chart in your owner's manual.

² Based on a 10K BTU unit.

³ Based on one (1) burner in operation.
